Comments:

My experience with Chris Abate was a good one. He's dedicated, pleasant to work with, has a positive attitude and great attention to detail. I had several questions and revision requests to the lease agreement. He patiently answered question by question and negotiated aspects of the contract eliminating all my concerns.

First I was hesitant to work with a Realtor based on previous experiences. It's now clear that it all depends on the professional that is providing the service and his/her work ethics.

I look forward to the possibility of working with Chris again in the future.

Sincerely,

Comments:

Chris went above & beyond our expectations. From his "check-up" phone calls to his lovely card he sent after we moved in left a personal touch. Plans are if we stay in the area after I graduate, we will be using his services to purchase a home. We loved his candidness & cheerful spirit. He was very understanding & even showed us a map of the area with relation to my job. All of the "little" factors added up to us using him because we were in contact with about 4 different brokers in Westchester. Thank you Chris & CS Realty, we are happy!
